Effective Date	January 1, 2024
Plan Type	Health Maintenance Organization (HMO)
Status	SUPERSEDED as of January 1, 2025

 **This plan has been SUPERSEDED as of January 1, 2025.**

Welcome to Your Silver HMO Plan

This booklet summarizes your health benefits under the Silver HMO plan. You must select a Primary Care Physician (PCP) and obtain referrals for specialist care.

1. Important: Network Requirements

- You must use network providers except for emergency services.
- You must have a referral from your PCP for specialist visits.
- Out-of-network services are not covered (except emergencies).

2. Covered Services

Preventive Care

- Annual physical exams: \$0 copay (covered at 100%)
- Routine immunizations: \$0 copay
- Cancer screenings: \$0 copay

Primary Care

- Office visit (established patient): \$35 copay per visit
- Office visit (new patient): \$45 copay per visit
- Telehealth visit: \$15 copay

Specialist Care

- Specialist consultation: \$70 copay (referral required)
- Referral must be obtained from PCP before visit

Emergency & Urgent Care

- Emergency room visit: \$300 copay (waived if admitted)
- Urgent care center: \$60 copay
- Ambulance services: \$250 copay per trip

Hospital Services

- Inpatient hospital stay: \$750 copay per admission + 30% coinsurance
- Outpatient surgery: \$300 copay + 30% coinsurance

Laboratory & Imaging

- Routine lab work: \$0 copay
- X-ray: \$75 copay per service
- MRI/CT scan: \$200 copay per service

3. Cost-Sharing Summary

Cost-Sharing Element	In-Network	Out-of-Network
Annual Deductible (Individual)	\$2,500	Not covered
Annual Deductible (Family)	\$5,000	Not covered
Out-of-Pocket Maximum (Individual)	\$8,000	Not covered
Out-of-Pocket Maximum (Family)	\$16,000	Not covered
Coinsurance (after deductible)	30%	Not covered
Primary Care Copay	\$35	Not covered
Specialist Copay	\$70	Not covered

4. Exclusions & Limitations

Same exclusions as Gold PPO, plus:

- Out-of-network services are not covered (except emergencies)
- Referral must be obtained before specialist visit
- Services without referral will be denied
- Cosmetic surgery (unless medically necessary)
- Experimental or investigational treatments
- Infertility treatments (excluding diagnostic testing)
- Weight loss surgery (unless BMI $\geq$ 40 with comorbidities)
- Acupuncture and chiropractic care (limited to 20 visits/year)
- Routine eye exams and glasses (for members under 18 only)
- Routine dental care
- Services requiring prior authorization without authorization

5. Prior Authorization Requirements

Same as Gold PPO. Referrals are required for specialist visits.

- Inpatient hospital admissions (non-emergency)
- Outpatient surgeries
- MRI, CT, PET scans
- Durable medical equipment over \$500
- Home health care services
- Skilled nursing facility admissions
- Transplant services
- Specialist visits: Referral required from PCP before visit

Important: Failure to obtain required prior authorization may result in denial of benefits. Services without required referrals may also be denied.

**SUPERSEDED
NOTICE**

This document is SUPERSEDED. For current benefits, refer to the 2025 Gold PPO or new Silver plan documents.
